

RADFORD PARK

RESIDENTS ASSOCIATION

"Building a greater community"

Join your local Residents Association! The Radford Park Residents Association

www.radfordparkresidents.co.uk

The Radford Park Residents Association is a community body run by volunteers who live on our estate. We've been established for 6 years and work on building a sense of community, engaging with one another through regular social events whilst looking out for one another on a day to day basis.

We engage closely with the key stakeholders for the local area to ensure residents views are represented and such bodies are held accountable for their responsibilities. This includes Accordant Estates (The Managing Agent), The Estate Management Companies, Bellway, Bloor, Peabody Housing Association, Basildon & Essex Councils, Essex Highways and Local Councillors.

The cost is only £10 per household per year.
